EXAM WEEK	May 17	May 18	May 19	May 20	May 21	May 22	May 23

Fall Symposium Day should be a Wednesday during the first half of Fall semester and will count toward Tuesday/Thursday class minutes

Since MLK Day does not occur within fall or spring semester, recognition of the day and the potential implications for minutes in class throughout J-Term can be determined later.

Wednesday or Friday (i.e., Tuesday classes held on a Wednesday or Friday) required to produce an even number of minutes between MWF and TR classes. Arbitrarily assigned just to show that they would be needed, although the exact dates of those days is TBD (should be in the first half of Spring semester).

Spring Symposium Day (Celebration of Learning) will occur on a Wednesday in the second half of Spring semester. These minutes are in addition to regular classes.

## LEGEND

Standard Class Period of 75 minutes MWF or 100 minutes TR can accommodate a 4-credit course, or a First Half Term/Second Half Term 2-credit course pairing in the same classroom

Class period meets 2 times per week for either 50 minutes for TR or 55 minutes for WF for a 2-credit Full Term course. WF options are Fall only to combine classrooms and possibly students with the FYI-100 slots, unless there are other 1-credit offerings to match with in Spring. TR options are either Fall or Spring.

2 hour class period of 110 minutes meeting one time per week for lab or possibly using multiple days for a studio class

3 hour class period of 170 minutes meeting one time per week for lab or possibly using multiple days for a studio class

4 hour class period of 230 minutes meeting one time per week for lab or possibly using multiple days for a studio class

Class period of 55 minutes which meets 4 times per week for a 4-credit class Tuesday-Friday. Use the same classroom as an FYI-100 on Mondays at the same time.

Class period of 60 minutes which meets on Mondays only in Fall term used for 1-credit FYI-100 if it continues. First-year registration will have students select 100-level language first, and then use the corresponding times slot for FYI-100. These 100 choices (A-C) will then show logistically possible times for FYI-101 choices. Then other course selection will follow. For students not in 100-level language, registration will start with Chemistry (or other science) and corresponding Lab. Then, if possible, the FYI-100 choice corresponding to the lab (i.e., if lab is Thurs 2:30, then FYI-100 will be Tues 2:30) will be chosen. This 100 choice (D-I) will then show logistically possible times for FYI-101 choices. Then other course selection will follow. Students in neither of these situations can schedule FYI-100 first and then see the logistically possible FYI-101 choices. \*Monday FYI-100 sections meet 12 times during the semester, so Tuesday/Thursday FYI-100 sections may cancel two meetings during the semester to bring the number down to 12 to match Mondays.

Class period of 60 minutes (if a final exam period is used class can be 55 minutes) meeting one day per week for a Full Term 1-credit course (including HEPE). The Monday only slots will use the same classroom as a 100-level language (more classroom space available in spring term for this purpose)

Class period of 55 minutes meeting 3 times per week for a Full Term 3-credit course
