Pink	Class period meets 2 times per week for either 50 minutes for TR or 55 minutes for WF for a 2-credit Full Term course. WF options are Fall only to combine classrooms and possibly students with the FYI-100 slots, unless there are other 1-credit offerings to match with in Spring. TR
Green	2 hour class period of 110 minutes meeting one time per week for lab or possibly using multiple days for a studio class
Blue	3 hour class period of 170 minutes meeting one time per week for lab or possibly using multiple days for a studio class
Gray	4 hour class period of 230 minutes meeting one time per week for lab or possibly using multiple days for a studio class
Teal	Class period of 55 minutes which meets 4 times per week for a 4-credit class Tuesday-Friday. Use the same classroom as an FYI-100 on Mondays at the same time.
Brown	Class period of 60 minutes which meets on Mondays only in Fall term used for 1-credit FYI-100 if it continues . First-year registration will have students select 100-level language first, and then use the corresponding times slot for FYI-100. This 100 choice (A-C) will then show logistically
Peach	Class period of 60 minutes (if a final exam period is used class can be 55 minutes) meeting one day per week for a Full Term 1-credit course (including HEPE). The Monday only slots will use the same classroom as a 100-level language (more classroom space available in spring term for this)
