# Jennifer Burnham, Ph.D.

Augustana College · 639 38<sup>th</sup> Street Rock Island, Illinois 61201 USA · +1 309 794 7845 · jenniferburnham@augustana.edu

#### **EDUCATION**

University of Washington, Ph.D., Earth and Space Sciences

University of Illinois, M.S., Environmental Studies in Physical Geography

Augustana College, B.A., Geography and Environmental Studies

### **EXPERIENCE**

**Division Dean for STEM Sciences,** Augustana College (2022–present)

Director, Augustana Center for Polar Studies (2017– present), Assistant Director (2009–2017)

**Department Chair,** Department of Geography, Augustana College (2012 –2022)

Professor, Department of Geography, Augustana College (2020 – present)

Associate Professor, Department of Geography, Augustana College (2012 – 2020)

Assistant Professor, Department of Geography, Augustana College (2006 – 2012)

**Board of Director**, High Arctic Institute (2007 – present)

## **SELECT AWARDS AND GRANTS**

Wallenberg Faculty Research Grant for Nordic Studies, Marianne and Marcus Wallenberg Foundation grant to Augustana College (2018 and 2020)

Larry P. Jones Fellowship, Augustana College (2020)

Violet M. Jaeke Family Life Fund Grant, Augustana College (2019)

Presidential Research Fellowship, Augustana College (2018 and 2014)

Freistat Center for Peace Studies, Augustana College (2017 and 2014)

#### G.K. Gilbert Award for Excellence in Geomorphological Research

Geomorphology Specialty Group, American Association of Geographers (2013)

Anne U. White Award, American Association of Geographers (2010)

#### **Augustana College Research Support**

Sabbatical Leave Stipend (2020) Faculty Research Fund (2017; 2014; 2012; 2010; 2008) New faculty research funding (2008)

#### UNDERGRADUATE STUDENT RESEARCH ADVISING

Served as primary research or project advisor on these Greenland research projects:

Kamara, Abdul (2021-22)	Black-legged kittiwake migration pattern analysis
Huffman, Abby (2019)	Atlantic Puffin GIS analysis of archival light logger data
Wyco, Jacob (2019)	Analysis of Peregrine Falcon and Gyrfalcon nest camera data (2017-2018) in NW Greenland
Aasen, Bailey (2018)	Comparative analysis of Peregrine Falcon migratory pathways in NW Greenland (2003-2017)
Baugh, Sara (2017)	Washed away: Summer storm occurrence effect on two passerine bird species in northern Greenland
Robb, Zoe (2016)	GIS research on Atlantic Puffin geolocator data from NW Greenland
Meyer, Fallon (2014)	Mercury contamination in Arctic seabird eggs from northwestern Greenland
Behnke, Claire (2012)	The migration patterns of Black-legged Kittiwakes ( <i>Rissa tridactyla</i> ) breeding in northwest Greenland
Biesterfeld, Ryan (2010)	The spatial distribution of methyl mercury in High Arctic avian species of northwest Greenland

## **TEACHING SPECIALITIES**

Geography of the Arctic, Soil Science, Cartography, Global Weather and Climate, Environmental Conservation
