

Campus Operations by Alert Level

*This chart outlines **expected** campus operations by alert level. This chart may be modified by the Cabinet as new information or new public health guidance becomes available. Because specific operational limitations or mitigation requirements by operation may be imposed without changing the alert level, it is important that community members check current mitigation requirements at www.augustana.edu/augustanastrong*

	Level 1: “New Normal” Campus Operations	Level 2: Modified Campus Operations	Level 3: Limited Campus Operations	Level 4: Essential Campus Operations
